

Two Karbala Oilfields in Next Licence Round

Posted on 04 August 2010. Tags: [Karbala](#), [Oil & Gas](#), [oil auction](#)

Two oilfields in western [Karbala](#) have been listed by the oil ministry within its next oil licensing round, the Mayor of the Ain al-Tamr district said on Tuesday.

“The ministry listed the two oilfields of Naft al-Khadiera, which were discovered in 1991 in the Ain al-Tamr district, within the next licensing round to be invested by global companies specialized in [oil industry](#),” Mahfouz al-Tamimi told Aswat al-Iraq news agency.
